	195621	Sacchetto Sealable, ecoecho	8,5 × 25	5 × 100

*Note! Cutlery is not included

Our newest Sacchetto pocket – Sacchetto Sealable – takes hygiene one step further. Available in various colours as well as with profile printing, they keep cutlery and napkins safe and secure all the way to the moment your guests take their first bite. Like all of our Sacchetto pockets, they come with preinserted napkin and have space for inserting cutlery. A fast, easy and customisable solution for limiting the handling of both cutlery and napkins.
