### **Day for Life 2021**

This year's Day for Life is celebrated today, Sunday 3 October on the theme 'The Good Samaritan: A Model of Compassion'. In the context of the recent proposal to introduce assisted suicide, both in Ireland and the UK, this year's Day for Life message invites Catholics to consider a more positive and compassionate response to the care of people who are in the final stages of life. You can download this year's message from [www.councilforlife.ie](http://www.councilforlife.ie). The Day for Life is celebrated annually by the Catholic Church in Ireland, Scotland, England and Wales. It is a day dedicated to raising awareness of the meaning and value of human life at every stage and in every condition. The Catholic Church's approach to end of life care is well articulated in the recent Vatican document *Samaritanus bonus* on the care of persons in the critical and terminal phases of life. In that document we are reminded that Jesus gave us the image of the good Samaritan as the model for our compassion and our solidarity with those who find themselves vulnerable and who fear being abandoned in their final illness. The Good Samaritan is one who "crosses over", who "binds up wounds" and who, most important of all "stays with" the person for as long as is required
